Name: Casey Wilkins

General Comment

To whom it may concern...and it should be everyone! When is the government going to butt out of our personal business?? I've had enough of their regulations that undermine our personal freedoms.

STAY OUT OF OUR 401K's AND OUT OF OUR LIVES!!!!

Don't you have your own business to attend to? I don't know how you could possibly have the time to micro manage us if you are tending to your own lives!
